

ESSENTIAL ADVANTAGES OF LESSON PLANS FOR NURSE EDUCATORS

4 WAYS LESSON PLANS HELP

Lesson plans help educators clarify:

- 1) Objectives for the class period.
- 2) Activities designed to meet class goals.
- 3) The sequence and duration of the activities.
- 4) Resources required for the class period.

3 BENEFITS OF LESSON PLANS

Lesson plans can serve as:

- 1) Guides during class.
- 2) A resource for the next person who teaches the course (or a substitute teacher).
- 3) A historical document for teacher review and accreditation.
