HOW TO TAKE THE ATI TEAS REMOTE PROCTORED EXAM

The ATI Test of Essential Academic Skills (ATI TEAS) Assessment measures your general knowledge in various content areas. Your performance indicates your readiness to begin a course of healthcare studies and is a predictive measure of your future success.

ATI is partnering with Proctorio to virtually proctor assessments. Proctorio is a remote proctoring platform that uses machine learning to proctor students from wherever they may be. Proctorio offers a variety of secure exam settings including video, audio, and screen recording designed to maintain the integrity of the assessment and ensure uncompromised exam results.

STEP 3 – Install the Proctorio Chrome Extension prior to test day

ATI remote testing requires that the user install the Proctorio Chrome Extension, which can be downloaded either before attempting to access an assessment (recommended) or at the time of the assessment. **Note:** You must use the Google Chrome browser to complete this process.

Navigate to the Proctorio Chrome Extension page either by:
- Entering the URL (https://getproctorio.com/) into the Chrome browser’s address bar
- Opening your assessment card on the MY ATI > TEST tab.

On the Chrome Web Store, click **Add to Chrome.**

Review the list.
Click **Add extension.** When the download is complete, you will receive notification that Proctorio has been added to Google Chrome.

STEP 4 – TEAS TEST DAY: Perform the pre-test checklist prior to exam start time

You must start your exam at the stated start time. We recommend you start this process 30 minutes prior to the start of your TEAS exam. If you do not start the exam within 30 minutes of the official start time, you will not be able to test. Exams will not be refunded or rescheduled due to late arrival.

- Make sure you are using a fully charged or plugged-in laptop or desktop computer with a webcam and microphone.
- Make sure you have Google Chrome and the Google Chrome Extension on your device. You will not be able to take the remote version of the ATI TEAS Exam with any other browser.
- Have a government-issued photo ID card available.
- Find a well-lit space and be ready for a desk scan prior to the assessment.
- Position your webcam from your shoulders up so that your face is fully visible.
- Prepare one piece of blank paper to be used during the exam. Please destroy the paper upon completion.
- Ensure that your internet speed is at least 0.5 - 1 Mbps. You can test your internet speed using [www.speedtest.net](http://www.speedtest.net).

Non-compliance with the above may invalidate your test attempt.

Then select the ATI TEAS proctored assessment card and click **BEGIN**.

**STEP 5a - Enter your TEAS Assessment/Product ID (if you do not have a TEAS proctored assessment card).**

The **Before you Begin** page opens.

Go to **STEP 6: Perform your System Diagnostic Tests**
STEP 6 – TEAS TEST DAY Perform your system diagnostic tests

It is essential that you perform the following steps completely, and in the order presented.

After you have entered your Assessment ID, your ATI TEAS Assessment card should appear under MY ATI > TEST tab.

Locate your TEAS Assessment card and click **Begin**.

The **Before you Begin** page provides information about your remote proctoring experience, including instructions, restrictions, and data collected during the assessment. Be sure to read all the instructions on this page.

When you are ready to proceed, scroll to the bottom of the page and click **Start exam pre-checks**.

**IMPORTANT:** At the bottom of the page, you may see a warning regarding RAM or your CPU. We recommend closing all other programs and/or windows and plugging in your computer. You should be able to proceed to the exam pre-checks regardless of these warnings.

However, if you choose to proceed after these warnings, your test experience may not be optimal. Make sure you meet the system requirements before test day!
On the System Diagnostics Test screen, Proctorio checks your camera, microphone, internet, and computer. After the system has completed its checks, click Next at the bottom of the screen.

This screen is prompting you to allow screenshare. There are two steps to sharing your screen.

**IMPORTANT:** First, you must click the image of the screen to select it. This turns the Share button blue.

Click Share.

This message displays when the system checks are complete.

Click Next.

You will then be asked to show your photo ID to the camera. This scan is used to validate your identity.

**Note:** If the system has trouble capturing the image, click Having trouble to scan the image manually.

Click Next to proceed.
The site will conduct a webcam image test. The system will take five photos to verify that your webcam is working correctly. Click **Begin camera test**.

**Important:** Make sure that you are in a well-lit space with minimal glare on the camera. If you are not in a well-lit room, your camera might not be recognized, and you will not be able to proceed.

Next, you will be asked to show your exam environment by using your device’s camera to scan the desk where you will be testing.

Click **I understand** to begin the desk scan.

Finally, you’ll be asked to sign the exam agreement.

Click **Accept** to proceed to your exam instructions.
STEP 7 – Take the ATI TEAS Assessment

Read all the information and instructions for the exam and then select **I agree** at the bottom of the page.

After your proctor approves you, the **Start/Resume** button appears at the bottom of the page. Click the **Start/Resume** button to launch your exam. (The Start/Resume button will not be available until the proctor approves you).

**Note:** You might have to move the screen sharing banner at the bottom of the screen to see the **Start/Resume** button.

The Quiz Tools window on the left is the default display. If you choose to collapse the window, you will see the tool icons shown on the right.

1. **Webcam feed**
2. **Zoom level**
3. **Battery status**
4. **Start a live chat (with Proctorio personnel)**
5. **Collapse/Expand quiz tools**

Note that if you experience any issues with the system, you can begin a live chat with a Proctorio employee. This will not connect you with your instructor.

For the ATI TEAS assessment, all questions are multiple choice. In the upper-right corner, you will see your time remaining and the online calculator. Click the **Calculator** icon to access it.

For the multiple-choice questions:
- Radio buttons are placed to the left of each of your answer options.
- An answer is only submitted when you click **CONTINUE**.
- You can change your answer any number of times and to any option before you click **CONTINUE**.

**IMPORTANT:** If you attempt to exit from full-screen mode or refresh your screen, or if you press the **Escape** button, an alert message will be sent to your proctor, potentially resulting in the termination of your assessment.
When you reach the last question of your assessment, the Assessment Completed window displays. Click Finalize and View Results to complete your assessment. When you complete the assessment, your Proctorio session will end, and your results will be available.

When you complete an ATI TEAS Assessment, your Individual Performance Profile (IPP) launches in a new window. The IPP summarizes the results from your assessment. Click DOWNLOAD REPORT to view your results in a user-friendly PDF format that can be saved, printed, or e-mailed. Click Score Explanation to help you understand the information in the IPP and how your scores were calculated.

Your IPP also provides your scores in the individual content areas, showing the number of questions you answered correctly and your scores as percentages.

Your Individual Performance Profile can also be accessed from the MY RESULTS tab. Click an assessment’s link to view the IPP for that assessment.
